Hey, what's up?

I got into trouble! I forgot to do English homework.

Why did you forget it?

We are going to a basketball game. So I played basketball after school yesterday.

And then?

I went to cram school at 6 pm.

When I rode back home, I took a shower, ate late-night supper, watched TV and listened to music in my bed.

You slept while listening to music?

YOU BET!!!

What can I do?

You know Maggie is a nice teacher.

I think you can finish it before she do the roll call. And...honesty is the best policy.
